WHAT WE FUND

In addition to events and activities planned for the annual Friends of the Library Week, and for National Library Week, we regularly fund book purchases and processing, miscellaneous supplies, and the following library activities:

Art Initiative: Providing curated shows at the library from local and regional artists and partners with three local art associations (Fayette Society of Fine Art, the Newnan-Coweta Art Association, Peachtree City Photography Club) for six two-month shows each year. The Art Initiative also features a juried by invitation exhibit. A public reception celebrates each new exhibit.

Joel Cowan History Room: Documents the history of Peachtree City via manuscripts, scrapbooks, publications, textiles and other artifacts, and photographs, maps, and other visual materials. A collection of items from the History Room is available online at the Digital Library of Georgia. Research in person is currently by appointment only.
