Friends of the Peachtree City Library
a 501(c)(3) Corporation

Sustaining Membership Benefits

A Sustaining Membership with the Friends of the Peachtree City Library begins at \$100.00 or more per year.

Each Sustaining Member is entitled to several **Bookplates** in either adult books or children's books, which acknowledge donation by the member. The number of bookplates depends upon the amount of the member's donation.

Each Sustaining Member is entitled to one or more **Slides** in the ongoing library slideshow which is on the monitor over the library's circulation desk. This slideshow is seen by all patrons and visitors. The number of slides a member can have depends upon the amount of their donation.

Slides may contain the member's name, a corporate logo, a photograph of a company building or product; or it could contain a quote, or favorite saying, or a family photograph, etc.

Slides will include the words "Sustaining Member, Friends of the Peachtree City Library."

If possible, the member should provide Friends of Peachtree City Library a Microsoft PowerPoint file containing the slide text and images. A designated staff member will then reformat it and add it to the library slideshow.
