

Volunteer at the Library!

Contribute your time and talents to the Peachtree City Library and to Friends' programs. Each new volunteer receives a personal orientation tour of the library. In 2019, more than 90 volunteers, Friends, and others contributed more than 2,200 hours to the library and its patrons.

Tasks include:

- Shelving circulating books, DVDs, and CDs
- Emptying the book drop
- Packing/opening interlibrary shipments
- Scanning shelves for errors in book placement
- Calling patrons to inform them of hold books
- General office tasks

Volunteer applications are available at the library circulation desk, or you can express your interest and request one by sending an email to ptc.library.vols@gmail.com.

Volunteer orientation takes place the 1st Saturday morning, and 3rd Wednesday evening of each month.

Due to COVID-19 restrictions,
all library programs, events,
and meetings have been
cancelled until further notice.
This includes volunteer
orientations and training.
